## **Section 1**

### **Scope of Work**

#### **BACKGROUND**

**Flowing Wells Unified School District**, hereby referred to as the School Food Authority (SFA), seeks to contract with a Food Service Management Company (FSMC) to operate the following food services: **National School Lunch Program (NSLP), School Breakfast Program (SBP), After School Care Snack Program (ASCS), Fresh Fruit and Vegetable Program (FFVP), Seamless Summer Option (SSO), Child Care Centers/Head Start Program (CACFP).**

This Request for Proposal (RFP) is intended to provide a basis for selection of an FSMC. The selected FSMC will be responsible for: the management of the food services staff, including training and development; quality and control; extensive operational and technical support; and financial management of the program. In submitting a proposal, the FSMC agrees that it will perform the work described in the RFP in full compliance with all applicable laws, rules, and regulations adopted or promulgated by any Federal or State regulatory body or governmental agency. By reading and accepting this pre-qualification outline, the interested FSMC acknowledges that the SFA has no obligation to contract, unless, in its sole opinion, it is in its best interest to do so.

The SFA employs **624** persons and provides food service to approximately **5295** children at **11** sites, including **11** schools, and **6** SFSP/SSO feeding sites.

The food service prepares approximately **925,000** meals annually. **Detailed SFA information is on Exhibit A.**

A. The SFA will adhere to the following Code of Federal Regulations (CFR) in the oversight of the food service program.

- (1) The SFA shall adhere to the procurement standards specified in 7CFR§210.21 when contracting with an FSMC. 7CFR§210.16(a)(1) and 2CFR§200.319
- (2) The SFA shall ensure that the food service operation is in conformance with the SFA's agreement under the program. 7CFR§210.16(a)(2)
- (3) The SFA shall monitor the performance of the FSMC through periodic on-site visits and shall have access to all portions of the food service facilities at all times. 7CFR§210.16(a)(3) and 7CFR§210.21(e)(1)
- (4) The SFA shall retain control of the nonprofit school food service account and overall financial responsibility for the food service operation. The SFA shall retain control of the quality, extent, and general nature of the food service and prices charged to children for meals. 7CFR§210.16(a)(4)
- (5) The SFA shall retain signature authority on the Food Program Permanent Service Agreement, free and reduced policy statement, and claims. 7CFR§210.16(a)(5) and 7CFR§210.21(b)
- (6) The SFA shall establish an advisory board composed of parents, teachers, and students to assist in menu planning. 7CFR§210.16(a)(8)
- (7) The SFA shall obtain written approval of requests for proposals (RFP) for an FSMC before their issuance. The SFA must incorporate all Arizona Department of Education (ADE) required changes to its solicitation documents before issuing those documents. 7CFR§210.16(a)(9)
- (8) The SFA shall ensure that ADE has reviewed and approved the contract terms and that the SFA has incorporated all ADE required changes into the contract or amendment before any contract or amendment is executed. Any changes made by the SFA to the prototype contract must be approved in writing by ADE before the contract is executed. When requested, the SFA must submit all procurement documents by the due date set by ADE. 7CFR§210.16(a)(10)
- (9) The SFA shall maintain responsibility for the application process for all free and reduced-price meals and shall establish and notify parents and guardians of program criteria for eligible students. The SFA shall be responsible for verifying applications for free and reduced-price meals as required by USDA regulations. The SFA will ensure that no child is discriminated against on the basis of race, color, national origin, age, sex or disability. Both the SFA and the FSMC shall be responsible for protecting the anonymity of students receiving free or reduced-price meals. 7CFR§245.6

(10) Every school year, prior to February 1, the SFA with more than one school shall perform no less than one on-site review of the lunch counting and claiming system and the readily observable general areas of review as identified under 7CFR§210.18(h) in each school operating the National School Lunch Program (NSLP) and 50% of schools operating the School Breakfast Program (SBP) under its jurisdiction. In addition, schools operating Breakfast in the Classroom (BIC) are encouraged to observe as many classrooms as they deem necessary. While the annual requirement is to complete 50% of the schools approved to participate in the SBP in the SFA’s jurisdiction, each school approved to participate in the SBP must be reviewed at least once every two years. If the review discloses problems with a school’s meal counting or claiming procedures, the SFA shall ensure that the school implements corrective action; and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problem. Each on-site review shall ensure that the school’s claim is based on the counting system authorized by the State agency under 7CFR§210.7(c) and that the counting system, as implemented, yields the actual number of reimbursable free, reduced-price, and paid lunches, respectively, served for each day of operation. 7CFR§210.8(a)(1)

B. The SFA will maintain a written code of conduct that prohibits real or apparent conflict of interest and disciplinary actions that are to be applied for violations of such standards. 2CFR§200.318(c)(1)

C. The SFA will maintain written procurement procedures that ensure full and open competition exists to the maximum extent possible. 2CFR§200.319

**METHOD OF APPROACH AND IMPLEMENTATION PLAN**

B. The FSMC shall include 21-day cycle menus developed in accordance with the meal pattern requirements specified in 7CFR§210.10 for the programs listed in the Background Section of this Agreement. These menus will be used as a basis for projecting costs. The FSMC must adhere to the FSMC developed menu for the first twenty-one (21) days of meal service. The menus shall meet the requirements stated in Public Law 111-296, the Healthy, Hunger-Free Kids Act of 2010 (HHFKA). G. The FSMC may not change or vary the menus after the first menu cycle without written approval of the SFA. (7CFR§210.16(b)(1)) The SFA shall approve the menus no later than two weeks prior to service. Any changes or variances requested by the FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing. The FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to the SFA, ADE, and USDA for review upon request.

H. The FSMC will use strategies to keep costs low and quality high to prepare and serve a variety of high quality, wholesome, and nutritious foods and beverages for students, faculty, staff, employees, and others as chosen by the SFA. 7CFR§210.10(a)

I. As applicable, any additional items served by the FSMC shall comply with 7CFR§210.11, Competitive Food Service standards, and any other nutrition standards as a requirement under the Healthy, Hunger-Free Kids Act of 2010.

The FSMC further agrees that the FSMC has no independent rights to this information and will not make any SFA Confidential Information available in any form to any third party or use Confidential Information for any purpose other than the performance of the FSMC’s obligations under this Contract. The FSMC will use reasonable security measures to protect the SFA’s Confidential Information from unauthorized access, use or disclosure and ensure that the SFA’s Confidential Information is not disclosed or distributed in violation of the terms of this Contract. Immediately upon the termination or expiration of this Contract, the FSMC shall return to the SFA any copies of the SFA’s Confidential Information provided to the FSMC by the SFA, and the FSMC will destroy all other copies of the SFA’s Confidential Information in all forms, partial and complete, in all types of media and computer memory, and whether or not modified or merged into other materials.

In effecting staffing changes, the FSMC and the SFA shall work cooperatively to achieve the financial requirements and management goals set forth herein. The FSMC may not implement any staffing change, which would limit or abridge any right or privilege of any SFA employee pursuant to any applicable collective bargaining agreement. "Staffing Change" shall include any hiring, termination, realignment of positions, change in the number of positions, substantial change in conditions of employment, and other similar staffing change, affecting SFA employees.

I. If provided for in the Offer, the SFA and the FSMC may transition the SFA's food service employees to the FSMC's payroll. If transition occurs, the FSMC shall give first consideration to current employees of the SFA or incumbent contractor when hiring employees to provide services pursuant to this Contract, but the FSMC shall not be obligated to hire such employees. Under a cost-reimbursable contract, after transition occurs, the FSMC may charge the cost of transitioned employees to the SFA as Direct Costs.

L. The SFA may require in writing the removal of an employee of the FSMC, who violates health requirements or conducts himself/herself in a manner that is detrimental to the physical, mental, or moral well-being of students, staff, and faculty. The FSMC will have a policy for the removal or suspension of an employee, and procedures to immediately restructure its staff without disruption in service.

N. The FSMC shall cooperate with the SFA's Food Service Advisory Board, consisting of students, parents, and SFA staff in developing menus and other food service programs. The FSMC staff shall schedule, keep, and maintain records of the advisory meetings, including sign-in sheets and agenda for the term of this contract and all renewals.

#### **51. Proposed Personnel Schedule and Training.**

A. The FSMC shall have a daily staffing schedule of food service employees. The staffing schedule will include a daily listing of employees by school and position description, the daily hours scheduled to work for each employee and the corresponding employee wage rate. Each school staffing schedule will illustrate the total daily hours and daily cost. The FSMC will have a plan with regards to employment of the existing food service staff. The FSMC will ensure the level of service meets the needs of each school in the SFA. **Complete Attachment 7.14**(Offeror's Staffing Schedule).

**Optional Programs:**

**53. USDA Foods/DoD Fresh.** SFAs that participate in the NSLP, SBP, and At-Risk Meals are eligible to receive USDA Foods/DoD Fresh. USDA gives the SFA an entitlement dollar amount each school year based on the number of meals served the previous school year.

- A. The SFA shall ensure that all USDA Foods/DoD Fresh received by the SFA and made available to the FSMC accrue only to the benefit of the SFA's nonprofit school food service and are fully utilized therein. 7CFR§210.16(a)(6)
- B. The SFA shall assure that the maximum amount of USDA Foods/DoD Fresh are received and utilized by the FSMC. 7CFR§210.9(b)(15) The SFA shall coordinate with the FSMC in the selection of USDA Foods/DoD Fresh; however, the final determination as to the acceptance of USDA Foods/DoD Fresh will be made by the SFA in accordance with the requirements in 7CFR§250.58(a). Such coordination in ordering will ensure that only those USDA Foods/DoD Fresh that can be effectively utilized in the food service are ordered, and that such foods are ordered as early in the school year as possible, to ensure their use before the end of the year. 7CFR§250.53(a)(4)
- C. The SFA requires the FSMC to use 100% of the USDA Foods/DoD Fresh in the SFA menus.
- D. No USDA Foods/DoD Fresh will be used for special functions outside of the Child Nutrition Programs listed in the Background Section of this Agreement, such as catering.
- E. The SFA shall retain title to all USDA Foods/DoD Fresh and the FSMC will conduct all activities relating to USDA Foods/DoD Fresh for which it is responsible in accordance with 7CFR Parts 250, 210, 220, 225 and 226, as applicable.

- G. The FSMC shall credit the SFA for the value of all USDA Foods/DoD Fresh received for the use in the SFA's meal service in the school year, including both entitlement and bonus foods, and including the value of USDA Foods contained in processed end products. The manner in which the FSMC shall account for the value of USDA Foods is listed in 7CFR§250.51(a). 7CFR§250.53(a)(1)

- I. The FSMC shall create a method where they will pass the value of the USDA Foods/DoD Fresh used to the SFA as a credit.
- J. **Cost-reimbursable:** The FSMC must itemize, in a separate line item in the regular monthly billing to the SFA, the credit resulting from use of USDA Foods/DoD Fresh based on the market value of all USDA donated commodities used for use in the SFA's food service. Market value shall be the value set by the ADE, which is the USDA Foods file cost as of a date specified by the ADE, unless otherwise noted. The FSMC must include a template on how they will report the value of the USDA Foods each month. The SFA will allow crediting to be performed by disclosure, i.e., the FSMC credits the SFA for the value of USDA Foods by disclosing, in its billing for food costs submitted to the SFA, the savings resulting from the receipt of USDA Foods for the billing period. The SFA must also ensure that the method, and timing, of crediting does not cause its cash resources to exceed the limits established in 7CFR§210.9(b)(2). 7CFR§250.51(b) and 7CFR§250.53(a)(2)
- K. The SFA must ensure that, in crediting it for the value of USDA Foods/DoD Fresh used in the meal service, the FSMC uses the donated food values determined by ADE, in accordance with 7CFR§250.58(e). 7CFR§250.51(c) and 7CFR§250.53(a)(3)
- L. The FSMC shall have a strategy to meet the CFRs for USDA Foods/DoD Fresh and invoicing on how the FSMC will report the value of the USDA Foods/DoD Fresh monthly.
- M. The SFA will conduct a reconciliation at least annually (and upon termination of the contract) to ensure that the FSMC has credited it for the value of all USDA Foods/DoD Fresh received for use in the recipient agency's food service in the school or fiscal year, including, in accordance with the requirements in 7CFR§250.51(a), the value of USDA Foods contained in processed end products. The FSMC shall provide all documentation and assistance required by the SFA to complete the reconciliation.

N. The SFA shall maintain responsibility for procuring processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods/DoD Fresh.

O. Any USDA Foods processing contracts shall be established by the SFA based on the ADE approved State contract.

P. The FSMC shall accept and use all USDA Foods products such as ground beef and ground pork products, and all processed end products, in the SFA's food service program. 7CFR§250.51(d) and 7CFR§250.53(a)(5)

Q. Upon termination of this Contract, or if this Contract is not extended or renewed, the FSMC must return all unused donated ground beef, pork, and processed end products to the SFA. 7CFR§250.52(c)

R. The FSMC will use all other USDA Foods/DoD Fresh or will use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in the SFA's food service program. 7CFR§250.51(d) and 7CFR§250.53(a)(6)

S. The FSMC is prohibited from entering into any processing contracts utilizing USDA Foods on behalf of the SFA. 7CFR§250.53(a)(8)

T. The FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods/DoD Fresh.

U. In the first year of the contract, the FSMC must integrate the SFA's USDA Foods/DoD Fresh inventory carried over from the previous year, if the SFA was self-operating in that year. However, if the SFA was operating under a contract with another FSMC in the previous year, the newly contracted FSMC is not required to credit the SFA for the value of USDA Foods/DoD Fresh in the inventory carried over from the previous year, as the value of such foods would have accrued to the nonprofit school food service in crediting from the previous FSMC.

V. The FSMC is prohibited from cashing out USDA Foods and providing a credit to the SFA. The FSMC will comply with 7CFR Part 250 concerning storage and inventory management of USDA Foods. The FSMC will maintain accurate and complete records with respect to the receipt, use/disposition, storage, and inventory of USDA Foods/DoD Fresh.

W. The FSMC shall meet the general requirements of storage and inventory management of USDA Foods/DoD Fresh in 7CFR§250.14(c). The FSMC must ensure that its system of inventory management will not result in the SFA being charged for USDA Foods/DoD Fresh. Failure by the FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods/DoD Fresh. 7CFR§250.52(a) and 7CFR§250.53(a)(9)

X. The FSMC may store and inventory USDA Foods/DoD Fresh together with foods it has purchased commercially for the SFA's use. It may store and inventory such foods together with other commercially purchased foods only to the extent that such a system ensures compliance with the requirements for use of donated foods in 7CFR§250.51(d). 7CFR§250.52(b)

Y. The FSMC shall allow the SFA and/or any State or Federal representative or auditor, including the Auditor General and USDA, or their duly authorized representatives, to perform onsite reviews of the FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods/DoD Fresh. 7CFR§250.53(a)(10)

Z. The FSMC shall maintain records to document its compliance with requirements relating to USDA Foods/DoD Fresh in accordance with 7CFR§250.54. 7CFR§250.53(a)(11)

AA. If the FSMC is responsible for receiving shipments on behalf of the SFA and retaining records of receipt of USDA Foods/DoD Fresh and end products (in accordance with 7CFR§250.54(b)), the SFA must verify receipt of donated food shipments through its electronic records, or by contacting ADE or the processor, and should not rely solely on the FSMC's records.

BB. The FSMC acknowledges that renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods/DoD Fresh. 7CFR§250.53(a)(12)

CC. Upon termination of this Contract, the FSMC must, at the SFA's discretion, return other unused USDA Foods/DoD fresh to the SFA. The SFA must ensure that the FSMC has credited it for the value of all USDA Foods/DoD Fresh received for use in the SFA's meal service in the school year, as applicable. 7CFR§250.51(a) 7CFR§250.52(c)

DD. In the final year of the contract, if the FSMC is not able to use all the SFA's USDA Foods/DoD Fresh before the termination of the contract, the SFA will not return credit to the FSMC for the value of unused USDA Foods/DoD Fresh. In addition, the FSMC must not remove or retain unused USDA Foods/DoD Fresh at contract termination.

The Contractor shall and require all Subcontractors to hold the SFA harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or State and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

**14. Integrity of Offer.** By signing this Offer, the Offeror affirms that the Offeror has not given, nor intends to give any time hereafter any economic opportunity, future employment, gift, loan gratuity, special discount, trip favor, or service to any employee of the SFA in connection with the submitted Offer. B. General Indemnification. To the extent permitted by A.R.S. §41-621 and §35-154, the SFA shall be indemnified and held harmless by the Contractor for its vicarious liability as result of entering into this Contract. Each party to this Contract is responsible for its own negligence.

The SFA shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph.

Such notice shall be delivered or mailed certified-return receipt requested, and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

(4) Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

B. Stop Work Order.

(1) The SFA may, at any time, by written order to the Contractor, require the Contractor to stop all or any part, of the work called for by this Contract for a period of up to ninety (90) days after the order is delivered to the Contractor, and for any further period to which the parties may agree. C. Non-exclusive Remedies. The rights and the remedies of the SFA under this Contract are not exclusive.

D. Nonconforming Tender. Materials supplied under this Contract shall fully comply with the Contract. E. Right to Offset. The SFA shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the SFA, or damages assessed by the SFA concerning the Contractor's nonconforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform General Terms and Conditions.

H. When discrepancies in pricing are identified between what the FSMC billed on invoices compared to what the supplier charged, and the nonprofit food service account has been over-charged, this difference must be returned to the nonprofit food service account as a credit delineated on the next billing cycle. When the audit identifies the SFA was charged for less than the cost paid by the FSMC, this difference may be paid by invoice to the SFA

J. Prohibited Expenditures: No expenditure may be made from the nonprofit school food service account for any cost resulting from a cost-reimbursable contract that fails to include the requirements of 7CFR§210.21, nor may any expenditure be made from the nonprofit school food service account that permits or results in the contractor receiving payments in excess of the contractor's actual, net allowable costs. 7CFR§210.21(f)(2) and 7CFR§220.16(e)(2)
